DETAILED ACTION

Election/Restrictions

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
 - I. Claims 1-12, 14-16 and 18-21, drawn to a method of performing a non-invasive measurement of a target analyte in patient's blood or tissue, the method comprising compiling a database of transdermal spectral measurements for plurality of subjects, orthogonalizing the spectral measurements to a known chromophore measured in each subject and deriving spectral shapes corresponding to one or more variability factors, classified in class 356, subclass 39, for example.
 - II. Claims 13 and 17, drawn to a method of performing a non-invasive measurement of a target analyte in patient's blood or tissue, the method comprising compiling a database of transdermal spectral measurements for plurality of subjects, deriving spectral shapes corresponding to one or more human contributing factors and normalizing the spectra based on the derived spectral shapes to generate a set of corrected spectra, classified in class 702, subclass 22, for example.
2. Inventions I and II are unrelated. Inventions are unrelated if it can be shown that they are not disclosed as capable of use together and they have different modes of operation, different functions, or different effects (MPEP § 806.04, MPEP § 808.01). In the instant case the different inventions are directed to methods with different starting materials, method steps and goals.
3. Because these inventions are distinct for the reasons given above and have acquired a

4. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

5. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).
